EDUCATION

12th Board
Vivekanand Sr. Sec school
2019-2021
92%

10th Board
RPS Dharuhera
2018-2019
91.8%

B.Tech in Computer Engineering
NIT Kurukshetra
2021-2025
CGPA-8.4

SKILLS

- C/C++
- Python
- HTML
- CSS
- Java
- Javascript
- MySQL

PROJECTS & EXPERIENCE

Sudoku Solver   **Feburary 2023**

Sudoku solver using backtracking in HTML, CSS, and JavaScript, I have followed these steps: HTML structure with a grid-like table. Apply CSS styling for visual appeal. Handle user input and store values. Use a backtracking algorithm to solve the puzzle. Create a "solve" button to trigger the solver function. Display the solution on the grid and differentiate original cells from solved ones. Include a "reset" button to clear the grid.

Personal Portfolio   **December 2022**

I have used HTML,CSS and Javascript. This website contains my personal information

Problem Solving

I have completed DSA in C++ from Coding Ninjas in October 2022 with 93% percent of completion rate. I have done 350+ questions on Leetcode, 150+ in GFG and 300+ in Coding Ninjas Platform.

COURSES

- Computer Networks
- DAA/DSA
- Operation System
- OOPS
- Unix and Linux programming
- Database managment system
- Data Mining and Warehousing
